Cognizant Named a Leader in Gartner Magic Quadrant for Application Testing Services, Worldwide

Open Platform Cognizant QA Hub Provides Suite of Digital Assurance Solutions

TEANECK, N.J., Jan. 20, 2017 /PRNewswire/ -- Cognizant (NASDAQ: CTSH) today announced that it has been recognized by Gartner for the third consecutive year as a Leader in the Gartner "Magic Quadrant for Application Testing Services, Worldwide." The newly released report evaluates 18 application testing service providers on their completeness of vision and ability to execute across a variety of criteria. The criteria include quality and efficacy of processes, systems, methods or procedures, that enable IT provider performance to be competitive, efficient and effective, and to positively impact revenue, retention and reputation and their ability to convincingly articulate logical statements about current and future market direction, innovation, customer needs and competitive forces and how well they map to the Gartner position.

Leaders are defined by Gartner as "performing well today, gaining traction and mind share in the market; they have a clear vision of market direction and are actively building competencies to sustain their leadership position in the market. Leaders generally have a global client base; a track record of complex, global engagements that support business transformation; and well-balanced business, process, and industry consulting, implementation and service management capabilities that are supported by rigorous tools and methodologies."

"We are pleased to be named a Leader for the third consecutive year in Gartner's Magic Quadrant for Application Testing Services, Worldwide," said Anbu Muppidathi, Global Markets Leader for Quality Engineering and Assurance at Cognizant. "Quality is key to creating memorable customer experiences in an increasingly digital world. Our dedicated assurance practice helps clients deliver applications with quality at speed to meet their digital aspirations. Through our open platform, Cognizant QA Hub, we enable best-in-class digital assurance solutions that assure business outcomes for our clients."
