

Cognizant Launches \$300 Million Accelerated Share Repurchase

First phase of anticipated \$1.2 billion share repurchases by end of 2018

TEANECK, N.J., Dec. 14, 2017 /PRNewswire/ -- Cognizant Technology Solutions Corporation (NASDAQ: CTSH), today announced that it has entered into an accelerated share repurchase ("ASR") agreement with Barclays Bank PLC to repurchase an aggregate of \$300 million of Cognizant's Class A common stock. This ASR agreement represents the next stage in its previously announced \$3.4 billion capital return plan.

Under the terms of the ASR agreement, approximately 3.58 million of the shares to be repurchased will be received by Cognizant on December 14, 2017. The final number of shares to be repurchased will be based on the volume-weighted average stock price of Cognizant's Class A common stock less a discount and subject to potential adjustments pursuant to the terms of the ASR agreement. Final settlement of the transaction under the ASR agreement is anticipated to occur during the first quarter of 2018. Cognizant will fund the ASR program on December 14, 2017 from cash on hand and its existing credit facility.

"We have returned approximately \$1.8 billion under our previously announced capital return plan through the initiation of our dividend and the completion of a \$1.5 billion ASR. We are pleased to launch the next phase of our capital return program," said Francisco D'Souza, Chief Executive Officer. "This ASR demonstrates our continued confidence in the long term growth of our business."
