Recognizing Healthcare Excellence at 2018 Cognizant Healthcare Conference

Cognizant Corporate

Each year, Cognizant recognizes its healthcare clients that use technology and resources to build new best practices or discover new ways to use Cognizant systems to address changing business models with the Healthcare Excellence Awards.

2018 Healthcare Excellence Award winners and finalists were revealed at the annual Cognizant Healthcare Conference held in Orlando in May. The following organizations were recognized for their ongoing commitment to improving the business of healthcare by making the most of their investment in Cognizant solutions:

- L.A. Care Health Plan, Winner for Digital Operations Excellence in Innovation
- CareSource, Winner for Digital systems & Technology Excellence in Operations
- LifeBridge Health, Winner for Digital Business Excellence in Innovation
- Express Scripts, Winner for Digital Excellence Recognition Award

“We’re proud to work in partnership with all of these forward-thinking healthcare organizations who are achieving impressive, meaningful results using Cognizant solutions and services,” said Kaushik Bhaumik, Executive Vice President and Global Leader, Healthcare, Cognizant. “This year, we had a particularly strong group of clients sharing the ways in which our people, processes and technology have helped them carry out new and innovative strategies and achieve significant business and operational objectives.”
