Cognizant has been awarded **Services Partner of the Year** by **Temenos**, the world's leader in banking software, at the Temenos Community Forum in May, in Dublin, Ireland.

The award recognizes Cognizant for its role in working with Temenos to secure the highest number of closed deals and for receiving the highest customer satisfaction score. Cognizant is also the transformation partner on the largest Temenos win of 2017 for a major Spanish digital bank.

"The Partner of the Year award recognizes Cognizant as a key strategic partner of Temenos," said **David Arnott**, CEO, Temenos. "Cognizant set the bar high in 2017 and was a strategic partner for many of our key initiatives throughout the year. We look forward to growing our partnership with them in the years to come."

"We are delighted to have received the Services Partner of the Year award from Temenos," said **Nachiket Deshpande**, Global Delivery Leader, Banking & Financial Services, Cognizant. "It is a recognition of the strength of our partnership and how the Cognizant team delivers exceptional value to our clients as they embark on their digital transformation journeys."
