

Cognizant Launches \$600 Million Accelerated Share Repurchase

TEANECK, N.J., June 15, 2018 /PRNewswire/ -- Cognizant Technology Solutions Corporation (Nasdaq: CTSH), today announced that it has entered into an accelerated share repurchase ("ASR") agreement with Morgan Stanley & Co. LLC to repurchase an aggregate of \$600 million of Cognizant's Class A common stock. In February 2017, the Company announced a plan to return \$3.4 billion to stockholders by the end of 2018 through a combination of \$2.7 billion in stock repurchases and \$0.7 billion in dividends. With the ASR announced today, the Company will deliver early on its commitment as to stock repurchases with the anticipated final settlement of the ASR during the third quarter of 2018.

Under the terms of the ASR agreement, approximately 6.49 million of the shares to be repurchased will be received by Cognizant on June 15, 2018. The final number of shares to be repurchased will be based on the volume-weighted average stock price of Cognizant's Class A common stock less a discount and subject to potential adjustments pursuant to the terms of the ASR agreement. Cognizant will fund the ASR program on June 15, 2018 from cash on hand.

Forward Looking Statements

This press release includes statements which may constitute forward-looking statements made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, including, but not limited to, express or implied forward-looking statements relating to our ASR program and our capital return plan, the accuracy of which are necessarily subject to risks, uncertainties, and assumptions as to future events that may not prove to be accurate. These statements are neither promises nor guarantees, but are subject to a variety of risks and uncertainties, many of which are beyond our control, which could cause actual results to differ materially from those contemplated in these forward-looking statements. Existing and prospective investors are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof. Factors that could cause actual results to differ materially from those expressed or implied include general economic conditions, changes in the regulatory environment, including with respect to immigration and taxes, and the other factors discussed in our most recent Annual Report on Form 10-K and other filings with the Securities and Exchange Commission. Cognizant undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise, except as may be required under applicable securities law.
