Cognizant is on the NJCU New Jersey 50 Index

Cognizant Corporate

Cognizant is now appearing on a new index created by the New Jersey City University (NJCU) School of Business, the NJCU New Jersey 50.

Developed in partnership with S&P, the first of its kind NJCU New Jersey 50 Index is designed to provide a barometer of the New Jersey economy. The index will be available via Bloomberg, Thomson Reuters and other financial information organizations, providing those in the financial world, researchers, journalists, and students with a barometer of the New Jersey economy. The index will track the Garden State's top 50 publically-traded companies and inclusion on the list is indicative of the importance of each company to the state's economy.
