

## Fortune, U.S.: Cognizant Ranks No. 193 in the 2019 FORTUNE 500

---

Cognizant is ranked No. 193 in the 2019 **FORTUNE 500** list, up from No. 195.

The **FORTUNE 500** is **Fortune** magazine's annual ranking of the largest corporations in the United States. Cognizant's current ranking is based on the company's fiscal year 2018 revenue of \$16.13 billion, which rose 8.9 percent from fiscal year 2017 revenue.

Over the past year, Cognizant has focused on building its leadership in six advanced digital capabilities. Forming the core of the company's digital strategy, these capabilities are instrumental in helping clients digitize and transform their entire enterprise.

In 2018, Cognizant moved into the FORTUNE 200, ranking No. 195 and has consistently advanced its standing since debuting on the FORTUNE 500 in 2011 at No. 484.
