Cognizant Named to Fortune Magazine’s World’s Most Admired Companies List for the 12th Consecutive Year

For the 12th consecutive year, Cognizant has been named to Fortune Magazine’s World’s Most Admired Companies list.

Developed in collaboration with consulting firm Korn Ferry, the list recognizes the world’s 680 most respected companies from 30 countries in 52 industries, as ranked by peers in their industry. Focused specifically on reputation, the survey examines nine attributes, including investment value and quality of management and products to social responsibility and the ability to attract talent. A company’s score must rank in the top half of its industry survey to be listed.
