Cognizant Completes Acquisition of Collaborative Solutions, One of the World's Largest Workday Services Partners

TEANECK, N.J., June 11, 2020 -- Cognizant (Nasdaq: CTSH) has completed the previously announced acquisition of Collaborative Solutions, adding new finance and HR advisory and implementation services to Cognizant's cloud offerings.

Collaborative Solutions, a global consultancy, enables clients across financial services, healthcare, technology, government, education, and other organizations to transform their operations using enterprise cloud applications.

Founded in 2003, Collaborative Solutions has more than 1,000 employees worldwide who will be joining Cognizant. In addition to the U.S., the company has operations in Australia, Canada and the United Kingdom.
