Cognizant Completes Acquisition of 10th Magnitude, a Leading Microsoft Azure Cloud Specialist

TEANECK, N.J., October 1, 2020 – Cognizant (Nasdaq: CTSH) completed the previously announced acquisition of 10th Magnitude on September 30, expanding the Microsoft Azure expertise within Cognizant's new Microsoft Business Group and adding development and managed services hubs throughout the U.S.

10th Magnitude, one of Microsoft's longest-standing Azure-centric partners, offers advisory and managed services, including data center transformation, application modernization, and data intelligence with AI-driven analytics and insights. The company's solutions and experts enable efficient, secure cloud transformations for Fortune 500 and other leading brands across industries ranging from healthcare and financial services to consumer goods and aerospace.

10th Magnitude is Cognizant's sixth cloud-related acquisition in 2020.
