Cognizant Recognized as one of ‘America’s Best Management Consulting Firms’ by Forbes

Cognizant has been named to Forbes’ list of America’s Best Management Consulting Firms 2021.

Research firm Statista compiled the input of more than 7,500 management consulting executives and partners, asking them to provide recommendations for consultancies in 16 industries and 16 functional areas. They also asked more than 1,000 senior executives to evaluate management consultancies they have worked with in the last four years.
