Cognizant Completes Acquisition of AustinCSI, Expands Consulting Expertise in Enterprise Cloud and Data Analytics Advisory Services

TEANECK, N.J., Dec. 15, 2022—Cognizant (Nasdaq: CTSH) has completed its acquisition of AustinCSI, a privately-held digital transformation consultancy specializing in enterprise cloud and data analytics advisory services.

Based in the technology hub of Dallas, Texas, AustinCSI provides consulting services for Fortune 500 clients across industries, particularly in the telecommunications, media, technology and automotive sectors, markets where Cognizant is also strong.

The acquisition expands Cognizant's Consulting expertise by adding more than 175 consultants who design and deliver cloud and automation solutions, leveraging data to help businesses improve their decision-making and deliver better customer experiences and business outcomes.
