

Forbes Magazine Names Cognizant Consulting One of America's Best Management Consulting Firms

Cognizant Consulting has been recognized by Forbes as one of America's Best Management Consulting Firms in 2023. This annual ranking is determined by two independent surveys:

- **Expert Survey:** 10,000+ management consulting executives or partners were invited to make recommendations for consultancies in 16 industries and 16 functional areas
- **Client Survey:** 1,200+ clients were prompted to evaluate management consultancies they have worked with during the last 4 years

Michael Valocchi, Senior Vice President, Head of Cognizant Consulting Americas, said, "We thank both our consulting peers and clients for recognizing Cognizant on this list. We're committed to helping organizations accelerate their growth and be future-ready. We will continue to bring a challenger mindset to our engagements."

This accolade reinforces Cognizant Consulting's reputation for excellence in developing solutions from an engineering perspective, as well as through a business and technology lens. Our expertise can be seen across multiple industries, including, automating point-of-sale data in the media industry, accelerating pharma market share analytics, and improving healthcare operations and decision-making.
