Cognizant Included in Forbes List of the World's Best Employers 2025

TEANECK, N.J., Oct. 9, 2025 /PRNewswire/ -- For the third consecutive year, Cognizant has been named one of the World's Best Employers by Forbes. This prestigious award is presented in collaboration with Statista, the world-leading statistics portal and industry ranking provider.

The World's Best Employers were chosen through an independent survey covering a broad sample of more than 300,000 participants from 50 countries. Respondents worldwide rated their "willingness to recommend" their employer on a 1-to-10 scale and had the opportunity to evaluate their organization across multiple aspects of employment. They were also able to provide feedback on former employers. Additionally, participants could share their public perception of other companies operating within their country and industry.
