

Cognizant Launches \$500 Million Accelerated Share Repurchase

TEANECK, N.J., May 21, 2026 [/PRNewswire/](#) -- Cognizant (Nasdaq: CTSH), a leading AI builder and technology services provider, today announced that it has entered into accelerated share repurchase ("ASR") agreements with Truist Bank and BNP Paribas to repurchase an aggregate of \$500 million of Cognizant's Class A common stock. The ASR announced today is part of the Company's updated 2026 share repurchase plan announced on May 18, 2026.

Under the terms of the ASR agreements, approximately 7.8 million of the shares to be repurchased will be delivered to Cognizant on May 21, 2026. The final number of shares to be repurchased will be based on the volume-weighted average stock price of Cognizant's Class A common stock less a discount and subject to potential adjustments pursuant to the terms of the ASR agreement.

Forward-Looking Statements

This press release includes statements that may constitute forward-looking statements made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, the accuracy of which is necessarily subject to risks, uncertainties and assumptions as to future events that may not prove to be accurate. These statements include, but are not limited to, express or implied forward-looking statements relating to our plan to repurchase our shares and other statements regarding matters that are not historical facts. These statements are neither promises nor guarantees, but are subject to a variety of risks and uncertainties, many of which are beyond our control, which could cause actual results to differ materially from those contemplated in these forward-looking statements. Existing and prospective investors are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof. Factors that could cause actual results to differ materially from those expressed or implied include general economic conditions, the competitive and rapidly changing nature of the markets we compete in, our ability to successfully use AI-based technologies and the impact those technologies may have on the demand and terms for our services, the competitive marketplace for talent and its impact on employee recruitment and retention, legal, reputational and financial risks resulting from cyberattacks, changes in the regulatory environment, including with respect to immigration, trade and taxes, and the other factors are discussed in our most recent Annual Report on Form 10-K and other filings with the Securities and Exchange Commission. Cognizant undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise, except as may be required under applicable securities law.
