Cognizant Completes Acquisition from OneSource Virtual, Expanding Its Workday Expertise and Services Portfolio

TEANECK, NJ – <Jan 3, 2023> Cognizant (NASDAQ: CTSH) has completed its acquisition of the professional services and application management practices of OneSource Virtual, a Workday partner, effective January 1, 2023.

This acquisition complements Cognizant's existing finance and HR advisory implementation services with Workday, bringing nearly 400 new employees to Cognizant with capabilities in consulting, deployment, and post-deployment support. These professionals, located in the United States, Canada, and the United Kingdom, will join Cognizant as part of the company's Collaborative Solutions team, the hub of Cognizant's Workday practice. Acquired by Cognizant in 2020, Collaborative Solutions is one of the longest-tenured Workday Services Partners.
