

Cognizant Named Among Fortune's "Most Admired Companies"

Teaneck, NJ, Feb. 2, 2022 – Cognizant announced today it has been named to the Fortune Magazine 2022 World's Most Admired Company list, ranking 5th among Information Technology Services companies.

The survey examines nine attributes of reputation including investment value and quality of management and products, social responsibility, and ability to attract talent. A total of 640 companies from 28 countries were surveyed.
