Cognizant Named on Newsweek's America's Greatest Workplaces 2023 List

Cognizant is excited to announce it has been recognized as one ofAmerica's Greatest Workplaces 2023 by Newsweek and Plant-A Insights Group.

Newsweek and Plant-A Insights Group identified the top 1,000 companies in the United States by conducting a large-scale employer study based on over 389,000 company reviews. Cognizant received a five-star rating, the highest available, based on evaluation in eight categories: company image, corporate culture, working environment, work-life balance, training and career progression, compensation & benefits, sustainability awareness, and proactive efforts toward workplace diversity.

"As a human-capital company, creating an environment where our associates can thrive while delivering outstanding service to our clients is at the heart of our business strategy. It is an honor to have received a five-star score on Newsweek's America's Greatest Workplaces in recognition of our investment in and commitment to our people," said Surya Gummadi, Cognizant's President, Americas.

Cognizant is known for its high-performing team that has heart and an unparalleled focus on client-centricity. With more than 350,000+ associates globally, and 35,000+ based in the United States, one of the company's core values is creating conditions for everyone to thrive.

"Cognizant aims to be an employer of choice, and being named one of America's Best Workplaces reinforces that we are on the right track," said Kathy Diaz, Cognizant's Chief People Officer. "We continue to enhance our programs, benefits and more to ensure people of all backgrounds have endless opportunities to build both a full career and a balanced life with us."

"Companies benefit from creating great workplaces," said Nancy Cooper, Global Editor in Chief at Newsweek. "Experts say employees who like their work are more productive and experience better physical and mental health. Newsweek and market-data research firm Plant-A Insights are proud to introduce "America's Greatest Workplaces 2023," highlighting companies that are committed to offering a positive working environment."
