Cognizant Ranks #11 on Healthcare Informatics 100 List

Ranking Among the Top Healthcare IT Providers Underscores Cognizant's Leadership in the Healthcare and Life Sciences Industry

Cognizant (NASDAQ: CTSH), a leading provider of global consulting, technology and business process services, today announced that the Company has been ranked the 11th largest healthcare IT provider by Healthcare Informatics magazine in its 15th annual survey of major healthcare information technology providers. Cognizant's ranking is based on revenue from the Healthcare segment, which grew by 52 percent year-on-year.

"We are delighted to be in this prestigious ranking of top healthcare IT providers," said Krish Venkat, Senior Vice President & General Manager of Cognizant's Healthcare and Life Sciences Practice. "This ranking is a testament to the trust reposed in us by our clients. In the highly complex healthcare industry, firms are continuously looking for innovative solutions to meet their business challenges. We are privileged to leverage our consultative, industry-specific solutions to help our clients drive process improvements, spearhead innovation and provide their customers with the best healthcare experience."

"On behalf of Molina, I congratulate Cognizant for being ranked the 11th largest healthcare IT provider," said Amir Desai, CIO at Molina Healthcare, Inc, a multi-state managed care organization based in Long Beach, CA, and one of Cognizant's healthcare clients. "Molina continuously strives to provide better healthcare services for its customers. In partnership with Cognizant, we have implemented solutions that enhance the customer experience."
