

# Cognizant Technology Solutions Schedules First Quarter 2007 Earnings Release and Conference Call

Cognizant Technology Solutions Corporation (NASDAQ: CTSH), a leading provider of global IT and business process outsourcing services, will announce results for the first quarter ended March 31, 2007 on Wednesday, May 2, 2007 pre-market open.

Following the release, Cognizant management will conduct a conference call at 10:00 a.m. (Eastern) to discuss operating performance for the quarter. To participate in the conference call, domestic callers can dial (888) 652-6834 and international callers can dial (706) 679-3288.

The conference call will also be available live via the Internet by accessing the Cognizant web site at <http://www.cognizant.com/>. Please go to the web site at least fifteen minutes prior to the call to register, download and install any necessary audio software.

For those who cannot access the live broadcast, a replay will be available by dialing (800) 642-1687 for domestic callers and (706) 645-9291 for international callers and entering "6267812" from two hours after the end of the call until 11:59 p.m. (Eastern) on May 9, 2007. The replay will also be available at Cognizant's web site <http://www.cognizant.com/> for thirty days following the call.

## About Cognizant

Cognizant (NASDAQ: CTSH) is a leading provider of global IT and business process outsourcing services. Focused on delivering strategic information technology solutions that address the complex business needs of its clients, Cognizant uses its own on-site/offshore outsourcing model to provide applications management, development, integration, and reengineering; infrastructure management; business process outsourcing; and numerous related services, such as enterprise consulting, technology architecture, program management, and change management.

Cognizant has more than 43,000 employees who are committed to partnerships that sustain long-term, proven value for customers by delivering high-quality, cost-effective solutions through its development centers in India and on-site client teams. Cognizant maintains P-CMM, SW-CMM and CMMI Maturity Level 5 assessments from an independent third-party assessor and ranked among the top information technology companies in Business Week's Hot Growth Companies. Cognizant is a member of the NASDAQ-100 Index and the S&P 500 Index. Find additional information about Cognizant at <http://www.cognizant.com/>.

This press release includes statements which may constitute forward-looking statements made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, the accuracy of which are necessarily subject to risks, uncertainties, and assumptions as to future events that may not prove to be accurate. Factors that could cause actual results to differ materially from those expressed or implied include general economic conditions and the factors discussed in our most recent Form 10-K and other filings with the Securities and Exchange Commission. Cognizant undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise.
